

Text-Giving for the first time . . .

When you text a donation amount to CBC's designated number **817-382-3013** for the first time, you will be prompted to visit a secure URL. After clicking the registration link, you will enter your credit or debit card information. Once complete, you will see a confirmation text showing your donation and registration were successful.

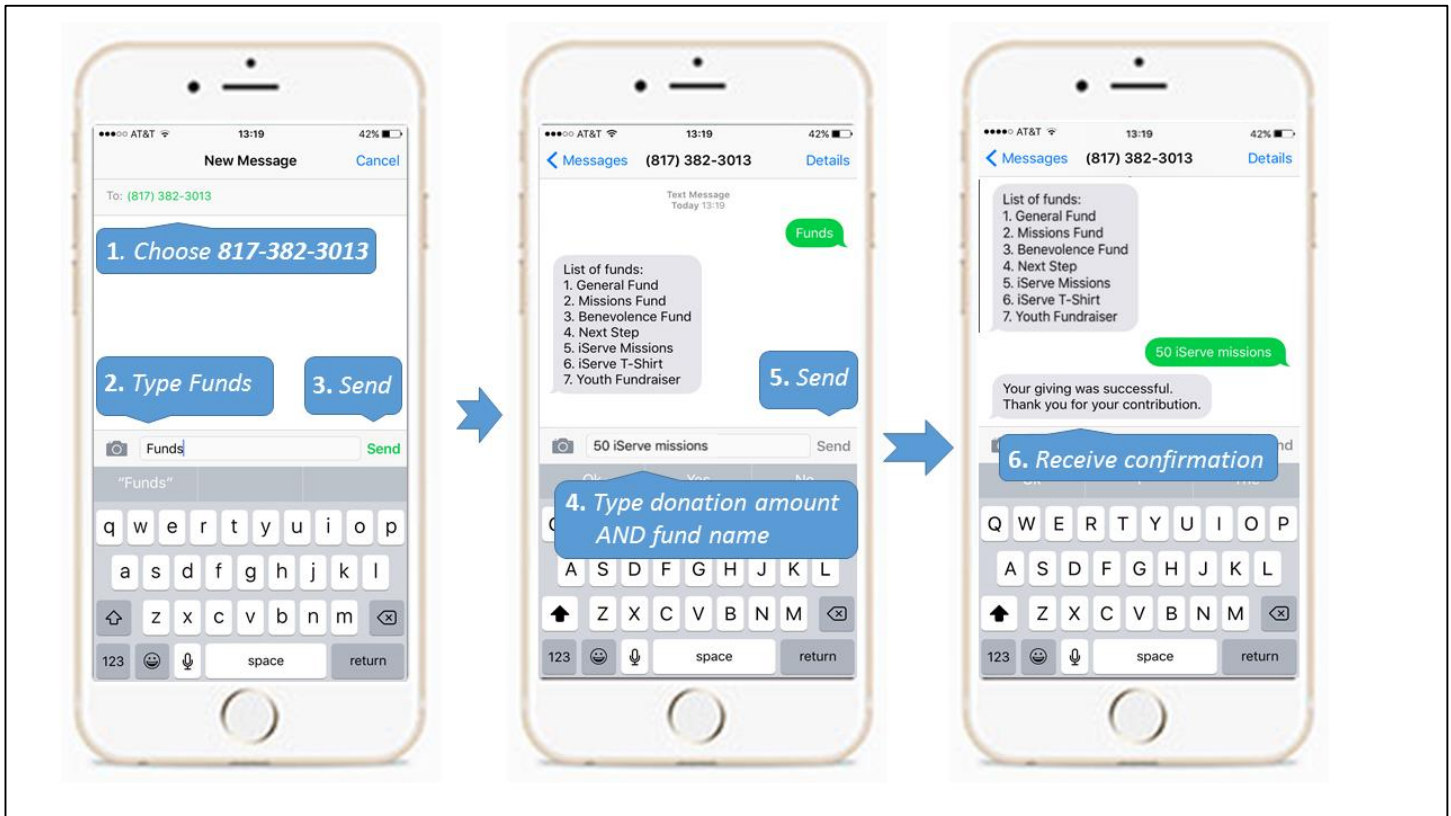

Text-Giving from then on . . .

Once registered, text giving is a simple process – just text the amount you would like to give to CBC's designated number **817-382-3013**, as shown in the example.

Designating the fund . . .

If you only text a donation amount, the funds are attributed to the church's general fund. When you text a donation followed by a fund name as shown in the example, the funds will be attributed to that fund. If you text "Funds" you will receive a reply text listing the current fund names to which you may choose to donate.

Changing credit/debit card information . . .

To change the credit/debit card information you registered initially, text "Reset" to CBC's designated number 817-382-3013 as shown in the example. The next time you text a donation, you will be prompted to register your information as you were initially – see *Giving for the first time . . .*
