

Transformation Story

Everyone's story has the power to help & encourage others.

*I will proclaim your name to my brothers and sisters.
I will praise you among your assembled people. ~ Psalm 22:22*

Please follow the instructions below

1. Write out your life transformation story in **700 words or less**. Please include these details:
 - What your life was like before Christ (does not have to be in-depth, remember this is not the main focus)
 - How you came to trust Christ. Be sure to include a clear statement of your salvation along with other significant life-changing moments.
 - Emphasis on how Christ has made a difference in your life.Please note: We end all stories with “ My name is (your name here) and I have a new life in Christ
2. Email your typed-out testimony in a document (please do not directly type your story out in an email) to cbc@cleburnebible.org and kbentley@cleburnebible.org in one email. Your testimony will be proofread for any potential editing needed. When you send in your typed-out story, please also send a few pictures that pertain to the timeline you talk about in your testimony as well. **Your story needs to be turned in the Monday before your film date.**
3. Once finalized, you will be called for an appointed date and time for filming.
4. During the filming, your story will be uploaded to a teleprompter for you to read to minimize the need for re-takes. Read it as if you were sharing it with a friend (shouldn't sound like you are reading it).
5. After your story is recorded it will soon be shared with the congregation & live-streamed on a Sunday morning. Shortly after it will be posted on the church's website as well.

Tip: Don't wear an all-white or all-black shirt during filming.

Thank you for doing this! We believe your story will have an impact on others as well as communicate CBC's vision for transforming lives.
