Ezekiel 11:14-20:

16 'Thus says the Lord God: Though I removed them far off among the nations, and though I scattered them among the countries, yet I have been a sanctuary to them for a while in the countries where they have gone.'

17 Therefore say, 'Thus says the Lord God: I will gather you from the peoples and assemble you out of the countries where you have been scattered, and I will give you the land of Israel.' 18 And when they come there, they will remove from it all its detestable things and all its abominations. 19 And I will give them one heart, and a new spirit I will put within them. I will remove the heart of stone from their flesh and give them a heart of flesh, 20 that they may walk in my statutes and keep my rules and obey them. And they shall be my people, and I will be their God.

GOD'S PROMISES TO ISRAEL

- RETURN – TO YOUR GOD
- REMOVE – ALL YOUR IDOLS
- REPLACE – YOUR HARD HEART OF STONE – WITH A SOFT HEART FOR THE LORD YOUR GOD!

Ezekiel 36:24-30:

24 “For I will take you out of the nations; I will gather you from all the countries and bring you back into your own land. 25 I will sprinkle clean water on you, and you will be clean; I will cleanse you from all your impurities and from all your idols. 26 I will give you a new heart and put a new spirit in you; I will remove from you your heart of stone and give you a heart of flesh. 27 And I will put my Spirit in you and move you to follow my decrees and be careful to keep my laws.

28 Then you will live in the land I gave your ancestors; you will be my people, and I will be your God. 29 I will save you from all your uncleanness. I will call for the grain and make it plentiful and will not bring famine upon you. 30 I will increase the fruit of the trees and the crops of the field, so that you will no longer suffer disgrace among the nations because of famine.

Zephaniah 3:19-20:

19 Behold, at that time:

- I will deal with all who afflict you
- I will save the lame, And gather those who were driven out
- I will appoint them for praise and fame In every land where they were put to shame.

20 At that time:

- I will bring you back, Even at the time I gather you;
- For I will give you fame and praise Among all the peoples of the earth, When I return your captives before your eyes,” Says the Lord.

RETURN & RESTORE:

Amos 9:11-15:

11 “On that day I will raise up The tabernacle of David, which has fallen down, And repair its damages; I will raise up its ruins, And rebuild it as in the days of old; 12 That they may possess the remnant of Edom, And all the Gentiles who are called by My name,” Says the Lord who does this thing.

13 “Behold, the days are coming,” says the Lord, “When the plowman shall overtake the reaper, And the treader of grapes him who sows seed; The mountains shall drip with sweet wine, And all the hills shall flow with it.

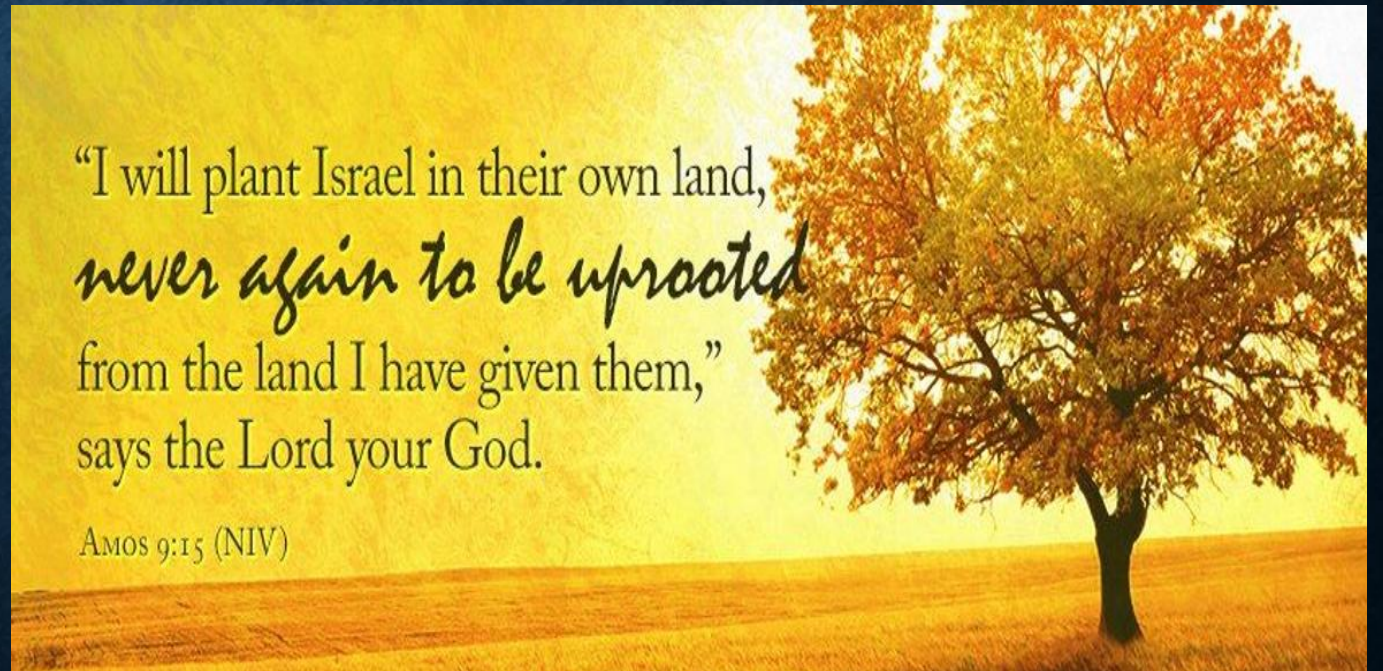

14 I will bring back the captives of My people Israel; They shall build the waste cities and inhabit them; They shall plant vineyards and drink wine from them; They shall also make gardens and eat fruit from them.

15 I will plant them in their land,
And they shall never again be
uprooted From the land I have
given them,” Says the Lord your
God.

“I will plant Israel in their own land,
never again to be uprooted
from the land I have given them,”
says the Lord your God.

RESURRECTION OF A DEAD LANGUAGE!

REBIRTH OF HEBREW

Eliezer Ben-Yehuda while working on his dictionary.

Ben-Yehuda and wife Hemda, 1912

Eliezer Ben-Yehuda (Hebrew: אליעזר בן־יהודה 7 January 1858 – 16 December 1922) was a Litvak lexicographer and newspaper editor.

He was the driving spirit behind the revival of the Hebrew language in the modern era.

The Hebrew Dictionary & The Jewish Revival:

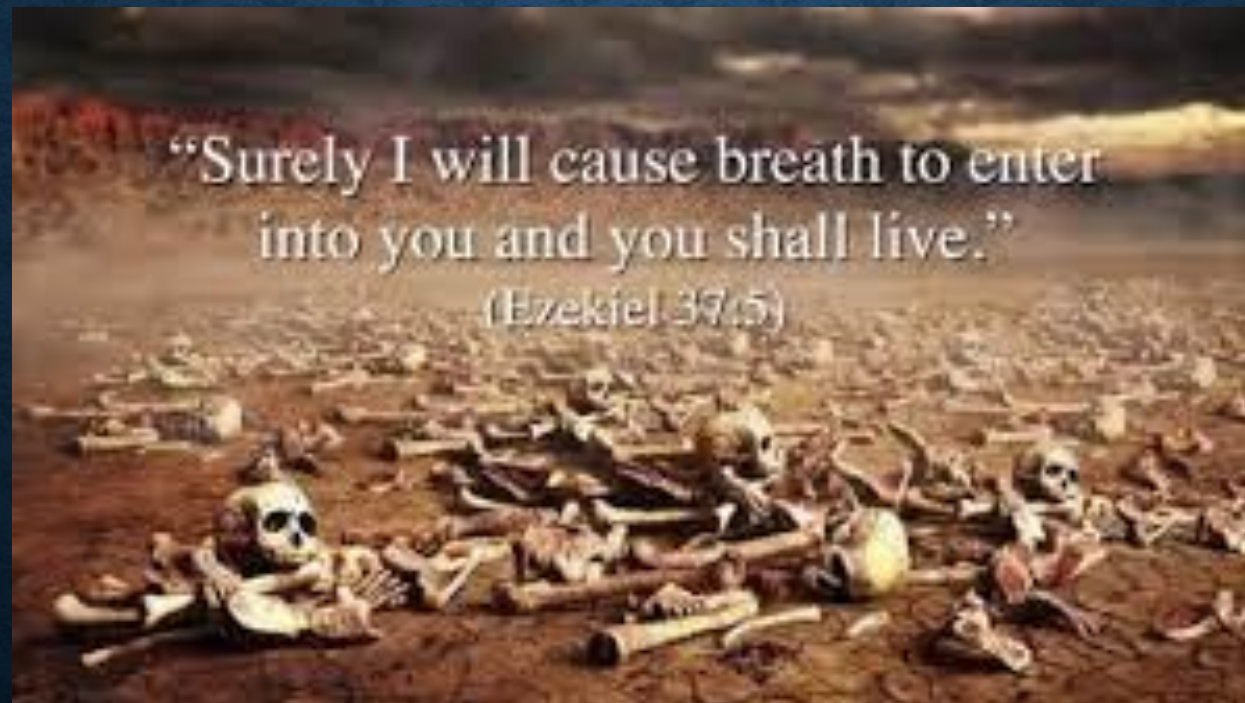

- In 1881 Ben-Yehuda immigrated to Israel, then ruled by the Ottoman Turk Empire, and settled in Jerusalem.
- Ben-Yehuda regarded Hebrew and Zionism as symbiotic: "The Hebrew language can live only if we revive the nation and return it to the fatherland," he wrote.
- Ben-Yehuda's colossal enterprise of reviving the Hebrew language by writing the first Hebrew dictionary volume by volume, seven in all - **the first volume was published in 1908**
- In 1908, the ministry that is now known as Chosen People Ministries (CPM) was then called the Williamsburg Mission to the Jews, and it was led by Leopold Cohn, a Hungarian-Jewish immigrant who became a Christian, and was focused on evangelism and services for Jewish immigrants in New York.
- Many Jewish People came to know the Lord in historic numbers in tandem with the Rebirth of the Hebrew Language! Coincidence?

THE ISRAEL & AMERICA CONNECTION!

ISRAEL & AMERICA

THE HISTORIC CONNECTION

"Columbus used the Jewish calendar in his logs and the Hebrew alphabet for numbers in some cases."
 J. R. Church

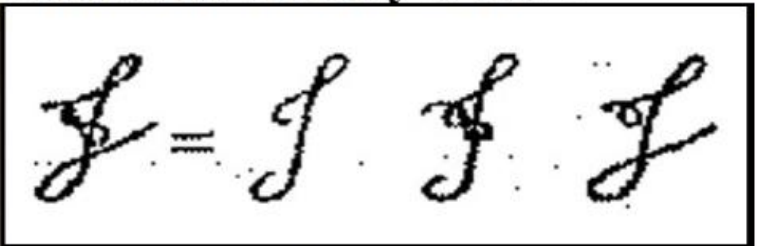

"...Colon, who changed his name to Columbus....was a Cohen (The name for the Hebrew Priestly line). The name Colon, is the equivalent of Cohen."

COLUMBUS
THE SECRET
MESSIANIC JEW

"On August 2, 1492, (Tisha b'Av, the 9th day of Av) more than 300,000 Jews were expelled from Spain, and on August 3, the next day, Columbus set sail for the west, taking a group of Jews with him."

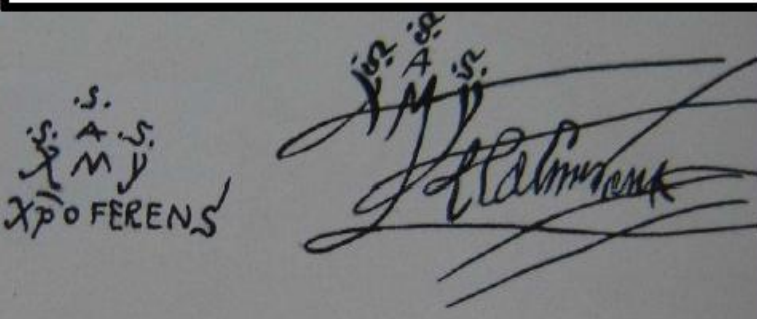

Was Christopher Columbus secretly a Jew?

Of thirteen letters written by Columbus (Colón) to his son Diego, from November 12, 1504 to February 24, 1505, twelve of them, there appears in the top left corner as a monogram in cursive script, the two characters "Beis" and "Hei," which are the initials of the Hebrew words "Baruch Hashem", which pious Jews have the habit of writing on top of their papers at that time.

Did you know that Columbus employed peculiar dates and phrases unique to the Hebrew people. Instead of referring to the "destruction" or "fall of Jerusalem", he used the phrase "the destruction of the second house". He also employed the Hebrew reckoning of 68 A.D., instead of 70 A.D to date the event. A marginal note dated 1481 is immediately given its Hebrew equivalent of 5241.

"Santo Santo Santo Ado-noy S'baot" – "Holy Holy Holy is the Lord of Hosts" (Isaiah 6:3). The abbreviation in Columbus' signature comes from the Jewish prayers Uva Li'tzion and Kedusha!

- St. Eustatius (Statia), a tiny island of the Dutch Antilles, was the overseas arsenal and lifeline of the American Revolution.
- Under Dutch neutrality, thousands of ships unloaded munitions, ordnance, and supplies at Oranjestad (Orangetown).
- The material was then shipped to the rebels.
- Over a hundred Jewish families, formed the core of the island's commercial establishment.
- The successful outcome of the American Revolution can be attributed largely to the assistance rendered it by the Jews of St. Eustatius.
- St. Eustatius now called Statia. has one of the most distinctive profiles of the Caribbean islands.
- Christopher Columbus sighted the island in 1493, and named it after St. Anastasia.

“May the Children of the Stock of Abraham, who dwell in this land, continue to merit and enjoy the good will of the other Inhabitants; while everyone shall sit under his own vine and fig tree, and there shall be none to make him afraid.”

- Haym Salomon who had arrived from Poland during 1775. Haym sympathized with the Patriots because of the oppression he had experienced in Europe.
- Haym had left his home at age 20 and had traveled throughout Europe, learning the banking business.
- He was very well educated and spoke 6 different languages (Polish, French, Italian, Russian, German and English).
- Salomon loved his new country and had a desire to live in a free society. When a group named the Sons of Liberty formed to oppose the unfair taxation, they invited Haym to join, which he did.

The greening of the land prophecy – Tu B'Shvat & 400 Million Trees, The Green Line & Agricultural Breakthroughs, The Desert blooming

The desolate land of Israel would again blossom and be fruitful in the last days:

Zechariah 7:14:

“I scattered them with a whirlwind among all the nations, where they were strangers. The land was left so desolate behind them that no one could come or go. This is how they made the pleasant land desolate.”

History records that while the Jewish people were exiled amongst many nations, the land of Israel was a barren desert. See also Lev 26:33, Ezekiel 15:8, Jeremiah 9:12-13, 23:10, 44:22, & Isa 32:13

ZECHARIAH CHAPTER 12 - ALL NATIONS COME AGAINST ISRAEL

ZECHARIAH 12:2-14: “Behold, I will make Jerusalem a cup of drunkenness to all the surrounding peoples, when they lay siege against Judah and Jerusalem. 3 And it shall happen in that day that I will make Jerusalem a very heavy stone for all peoples; all who would heave it away will surely be cut in pieces, though all nations of the earth are gathered against it. 4 In that day,” says the Lord, “I will strike every horse with confusion, and its rider with madness; I will open My eyes on the house of Judah and will strike every horse of the peoples with blindness. 5 And the governors of Judah shall say in their heart, ‘The inhabitants of Jerusalem are my strength in the Lord of hosts, their God.’ 6 In that day I will make the governors of Judah like a firepan in the woodpile, and like a fiery torch in the sheaves; they shall devour all the surrounding peoples on the right hand and on the left, but Jerusalem shall be inhabited again in her own place—Jerusalem.

7 “The Lord will save the tents of Judah first, so that the glory of the house of David and the glory of the inhabitants of Jerusalem shall not become greater than that of Judah. 8 In that day the Lord will defend the inhabitants of Jerusalem; the one who is feeble among them in that day shall be like David, and the house of David shall be like God, like the Angel of the Lord before them. 9 It shall be in that day that I will seek to destroy all the nations that come against Jerusalem.

10 “And I will pour on the house of David and on the inhabitants of Jerusalem the Spirit of grace and supplication; then they will look on Me whom they pierced. Yes, they will mourn for Him as one mourns for his only son and grieve for Him as one grieves for a firstborn. 11 In that day there shall be a great mourning in Jerusalem, like the mourning at Hadad Rimmon in the plain of Megiddo. 12 And the land shall mourn, every family by itself: the family of the house of David by itself, and their wives by themselves; the family of the house of Nathan by itself, and their wives by themselves; 13 the family of the house of Levi by itself, and their wives by themselves; the family of Shimei by itself, and their wives by themselves; 14 all the families that remain, every family by itself, and their wives by themselves.

UN Condemns Israel in 3 Resolutions, Erases Jewish Connection to Judaism's Holiest Site

December 1, 2021 United Nations pinned, Press Release

NEW YORK, December 2, 2021 — Yesterday the UN General Assembly adopted three one-sided resolutions targeting Israel, as part of a total of 14 resolutions being adopted over the next month that target the Jewish state, with only five on the rest of the world combined. ([Click here](#) for texts and voting sheets.)

"The UN's assault on Israel with a torrent of one-sided resolutions is surreal," said Hillel Neuer, executive director of UN Watch, a Geneva-based non-governmental watchdog organization.

"It's absurd that in the year 2021, out of some 20 UN General Assembly resolutions that criticize countries, 70 percent are focused on one single country— Israel. What drives these lopsided condemnations is a powerful political agenda to demonize the Jewish state," said Neuer.

Yesterday's resolution on Jerusalem refers to the Temple Mount, the holiest site in Judaism, solely by its Muslim name, "Haram al-Sharif."

Turkish Prime Minister Erdoğan's visit to Iran last month symbolized a pivot toward Tehran and a shift in Ankara's Middle East foreign policy. Declaring a desire to stand "shoulder to shoulder" with Iran in combating terrorism, and driven by Turkey's evolving policy toward Syria, Erdoğan's trip highlighted Ankara and Tehran's tendency to pursue mutual interests when their paths cross. This is significant in terms of its implications for the Syrian conflict and for the region's landscape, as both countries have the ability to influence the course of future events throughout the Middle East.

Cyprus, Israel, Greece agree to boost defense cooperation

Updated 12:24 PM CDT, November 12, 2020

NICOSIA, Cyprus (AP) — The defense ministers of Greece, Israel and Cyprus agreed Thursday to step up military cooperation they said will keep their armed forces better prepared, help create more jobs and bolster security in a fraught region.

Israeli Defense Minister Benny Gantz said it was agreed during talks in Nicosia to "promote large-scale industry cooperation that will bolster our defense abilities and create thousands of jobs for all three economies."

The three countries have forged close ties amid regional tension in the Eastern Mediterranean over offshore gas exploitation rights, and are partners in a project to bring gas from fields in Israel and potentially other nations' waters through an undersea pipeline to Europe's mainland.

Greece's Nikolaos Panagiotopoulos said Greek, Israeli and Cypriot armed forces are working to operate together more effectively through joint training programs, intelligence sharing and cyber-security.

In Daniel 11:30, the prophecy states that "ships of Cyprus" (or Kittim in some translations) will come against the king of the north, causing him grief and leading him to return in rage against the holy covenant, causing damage

Recently there have been reports that Afek Oil and Gas, a subsidiary of the American company Genie Energy, have discovered an oil bonanza in the Golan Heights "with the potential of billions of barrels."

In an interview with Israel's Channel 2 News, chief geologist Yuval Batov said the layer is 350 meters thick, which is 10 times larger than the average oil find worldwide, and "what's important is to know that there's oil in the rock, and this we know."

However, obstacles remain. The quality, quantity and cost-effectiveness of extraction are still unknown, and there has been resistance from environmental groups concerned about the impact of drilling. Moreover, many nations including the US do not recognize Israel's sovereignty over the Golan Heights, and question her right to exploit the region.

Nonetheless, there is another potential oil bounty that is within Israel's territory and has escaped much media attention—Zion Oil & Gas's exploration of the Megiddo and Jezreel Valley.

Israel **exported** a record 981mn cfd of natural gas to Egypt in 2024, good for 18.2% year-over-year. According to Middle East Oil & Gas publication MEES, the remarkable surge in imports can be attributed to a growing gas deficit resulting from declining domestic production by Egypt. However, Israel will struggle to ramp up exports further due to infrastructure limitations.

Saudi Israelia: Israel Poised to Become Oil Superpower

4:17 PM on Monday, October 13, 2014 - Tishrei 19, 5775

- “One of the largest deposits – 250 billion barrels of oil in Israel’s Sh’fela basin, comparable to Saudi Arabia’s entire reserves of 260 billion barrels of oil.”
- “It has until now been unexploited, partly because the technology required has been expensive, mostly because the multinational oil companies that have the technology fear offending Muslims.”
- “None of the major oil companies are willing to do business in Israel because they don’t want to be cut off from the Mideast supply of oil,”
- Howard Jonas, CEO of IDT, the U.S. company that owns the Sh’fela concession through its subsidiary, Israel Energy Initiatives.
- Jonas, an ardent Zionist, considers the Sh’fela deposit merely a beginning: “We believe that under Israel is more oil than under Saudi Arabia. There may be as much as half a trillion barrels.”

JERUSALEM, Israel — Old Testament prophets told of a day when Jews would return to Israel from the four corners of the earth. Some Jews are now returning from the world's two most populous nations: China and India.

Recently, friends greeted seven Chinese Jewish men at Israel's Ben Gurion Airport. They flew from Beijing. Their journey marked the end of a nearly four-year bureaucratic struggle to get to Israel, but also marked the fulfillment of a biblical promise several thousand years old.

"We are witnessing the ingathering of the exiles from the four corners of the world. It's taking place before our very eyes," Michael Freund said.

Michael Freund of Shavei Israel — a group committed to bringing Jews back to Israel — says their arrival was prophetic.

"The prophet Zechariah in chapter 8 tells us that God promises that He will save His people from the East, from the countries of the East and from the countries of the West," Freund said.

In a bare room in an unfinished concrete building on the fringes of the Golden Triangle where the hill tribesmen were once headhunters, a man puts on a prayer shawl and begins chanting in Hebrew. A small number of followers join in the responses. Afterward he says: I was a corps cadet in the Salvation Army 10 years ago, but now I am a Jew. This is Yeshuran Ngaihte, 50, the chazan, or elder, of the year-old Sephardic synagogue in Aizawl, capital of India's Mizoram state on the border with Burma.

TEL AVIV -- A "lost tribe" has come home to Israel and the return could be part of biblical prophecy.

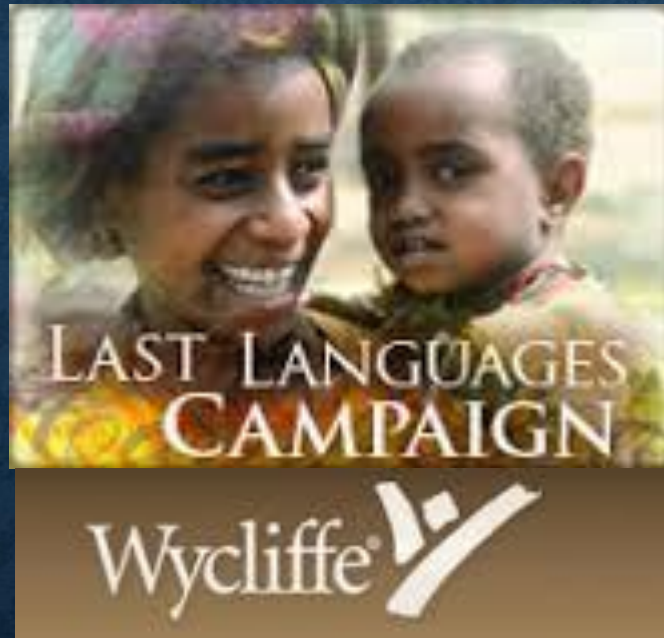

CBN News was at Ben Gurion Airport when more than 50 members of the Bnei Menashe tribe made history.

The group was just the first of a long-awaited migration. Nearly 2,000 tribe members live in Israel, but five years ago the government stopped their return.

Bible translation milestone: Under 1,000 languages left to start

For the first time in history, the list of languages that still need Bible translation to begin is less than 1,000.

According to Progress-Bible, the entity that tracks global Scripture access statistics, as of 1 September, just 985 languages remain to be started. Those represent just 29.3 million people – less than 1 percent of the global population. For comparison, that is less than the 33-million population of the world's second-largest city, Delhi, India.

That's a huge decrease from the waiting list of 1,892 languages and 145.2 million people just three years ago. About 100 million of that reduction occurred in Asia, thanks to several major languages in sensitive areas being started.

THE JUDGEMENT OF ELAM (IRAN) IN THE LAST DAYS

Prophecy against Elam

34 The word of the LORD that came to Jeremiah the prophet concerning Elam, at the beginning of the reign of Zedekiah king of Judah, saying:

35 "This is what the LORD of armies says:

'Behold, I am going to break the bow of Elam,
The ^[a]finest of their might.

36 I will bring upon Elam the four winds

From the four ends of heaven,
And will scatter them to all these winds;
And there will be no nation

To which the outcasts of Elam will not go.

37 So I will ^[b]shatter Elam before their enemies

And before those who seek their lives;
And I will bring disaster upon them,
Even My fierce anger,' declares the LORD,
'And I will send the sword after them
Until I have consumed them.

38 Then I will set My throne in Elam,

And eliminate from there *the* king and officials,'
Declares the LORD.

39 'But it will come about in the last days

That I will restore the fortunes of Elam,'"
Declares the LORD.

JOHN F WALVOORD ON AMERICA IN PROPHECY

POSTED ON August 26, 2020 by HEAVENLY REMNANT MINISTRIES

One of the natural questions facing believers, and especially those of the United States of America, is the place of the United States in the unfulfilled prophetic program. In the last number of decades, the United States of America has become one of the most powerful and influential nations of all history, it not the strongest. What does the Bible contribute to the question of the future of the United States?

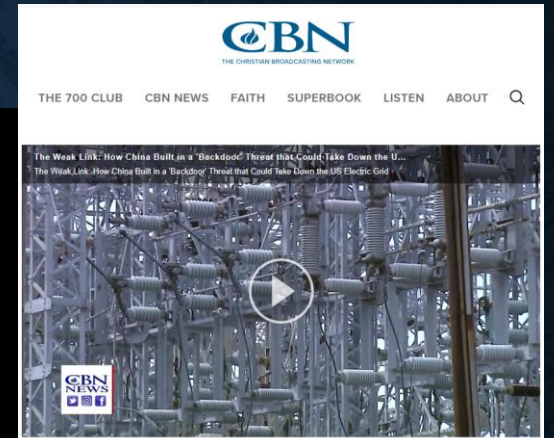

FAMED THEOLOGIAN AND PROPHECY SCHOLAR DR. JOHN WALVOORD SUPPOSES THAT THE ONLY THING RESTRAINING GOD'S JUDGEMENT ON AMERICA IS THE PRESENCE OF THE CHURCH.

IF THE CHURCH WERE REMOVED VIA THE RAPTURE, WALVOORD THEORIZES THAT THERE WOULD NO LONGER BE ANYTHING TO RESTRAIN GOD'S JUDGEMENT.

THIS COULD BE A REASON THERE SEEMS TO BE NO MENTION OF THE US IN END TIMES PROPHECY!

Alarming Rise in Military-Aged Chinese Men Entering US Illegally, Border Patrol Union Chief Warns

By Tom Ozimek The Epoch Times Feb 20, 2024

The head of the Border Patrol union has raised the alarm on the sharp rise in the number of military-aged Chinese men crossing the U.S.-Mexico border illegally, warning that he believes some of them may be spies working on behalf of China's communist regime to "infiltrate" the United States.

National Border Patrol Council President Brandon Judd made the remarks during a recent interview on "Just the News, No Noise" TV program, which came as U.S. Customs and Border Protection (CBP) released its latest data for January encounters with illegal immigrants who crossed the border into the United States.
