

Transformation Story

Everyone's story has the power to help & encourage others.

*I will proclaim your name to my brothers and sisters.
I will praise you among your assembled people. ~ Psalm 22:22*

Please follow the instructions below

1. Compose your life transformation story in 700 words or less. Please include the following details:
 - What your life was like before Christ (this does not need to be extensive, as it is not the main focus).
 - How you came to trust Christ. Be sure to include a clear statement of your salvation and other significant life-changing moments.
 - Emphasize how Christ has made a difference in your life.Please note: We conclude all stories with “My name is (your name here) and I have a new life in Christ.”
2. Email your typed testimony as a document (please do not type your story directly in an email) to kbentley@cleburnebible.org. Your testimony will be proofread for any necessary edits. Once finalized, you will be scheduled for a specific date and time for filming. **Your story needs to be submitted by the Monday before your filming date.**
3. Send in about 5-7 pictures that relate to the timeline discussed in your testimony, to cbc@cleburnebible.org. Please label your pictures to indicate the order in which you want each one to be shown in your testimony video. **Pictures are due the week before your film date.**
4. During the filming, your story will be displayed on a teleprompter for you to read, minimizing the need for retakes. Read it as if you were sharing with a friend (it shouldn't sound like you are reading).
5. After your story is recorded, it will soon be shared with the congregation and live-streamed on a Sunday morning. Shortly after, it will also be posted on the church's website.

Tip: Avoid wearing an all-white or all-black shirt during filming.

Thank you for participating! We believe your story will impact others and effectively communicate CBC's vision for transforming lives.
